Dear Leslie:

Issuance Letter – Authorization GTC16Q002 – Quarry 5,000 m³ – Pit Run - Frog Creek Source Km 126

The Gwich'in Tribal Council (GTC), Lands and Resources approved your application to Excavate, Load & Haul 5,000m³ pit run from Frog Creek pit from February 23, 2016 to December 31, 2016.

Please note conditions of this authorization require:

1. Notification to GTC Lands and Resources at least 10 days prior to commencing quarrying activities.
2. Quarry activities take place in the work area identified in the attached map.
3. Submission of weekly haul reports, identifying quantities of pit run removed on a day by day basis. (Forms are attached.)
4. Requests to extend must be made in writing to GTC Lands and Resources prior to the expiry date.

Please don't hesitate to contact me if you have any questions regarding this letter.

Sincerely,

Garth Greskiw, Director Lands & Resources
