Attn: Leslie J Blake

RE: Land Use Permit G16Q001
QUARRY SITE - Existing
Frog Creek

Dear Leslie J Blake,

An inspection of the above noted operation was conducted on April 12, 2016 by Resource Management Officer II Herbert Allen and Resource Management Officer I Bradley Voudrach.

Enclosed is a copy of the Environmental Inspection Report. Your attention to this matter is appreciated.

If you have any questions, please contact me at 867-777-8907.

Sincerely,

A handwritten signature in black ink, appearing to read "Herbert Allen".

Herbert Allen
Resource Management Officer II

Wastes	A				

Explanatory Remarks -

Frog Creek Quarry:

During the inspection there was a D9 cat and an excavator in the quarry, there was snow cleared and material stock piled at the site.

GTC mentioned to Department of Lands that L.J.'s finished hauling the 5,000 m³ for DOT on March 28, 2016 to the nuisance grounds outside Fort McPherson.

On the week of April 4th L.J.'s started hauling the additional 4,700 m³ and also 4,500 m³ to be stockpiled on Hamlet's lot in the airport subdivision and 200 m³ to be stockpiled in empty lot besides L.J.'s in Fort McPherson
