### DISTRIBUTION LIST

**Re: Request for Comments – Application for Type “A” Land Use Permit G16X006  
(Quarrying at km 230 and 235, and Campsite Construction at Gwich'in Territorial Park)**

Dear Sir/Madam

Please be advised that GNWT Industry, Tourism and Investment (ITI) has submitted an application for a Land Use Permit for the purpose of excavating, hauling and removing granular material from the quarries at km 230 and 235 Dempster Highway #8, and the subsequent construction of 8 new campsites at Gwich'in Territorial Park. The applicant requests a term of 5 years, with a proposed start date in September, 2016. The Gwich'in Land and Water Board is considering this application, and appreciates any comments or recommendations from reviewing organizations.

The attached application documents are also available through the online review system on our website ([glwb.com](http://glwb.com)). They can also be viewed in person at the GLWB Public Register, on the second floor of the Alex Moses-Greenland Building in Inuvik. If you would prefer to receive a paper copy or a CD, please let me know and I will forward a copy of the application in the format of your choice.

Please note that a draft Permit has been developed in advance of the public review. The purpose of this draft Permit is to allow parties to comment on Board staff's suggested conditions. These draft materials are not intended to limit in any way the scope of parties' comments. The Board is not bound by the contents of the draft Permit and will make its decision at the close of the proceeding on the basis of all the evidence and arguments filed by all parties.

Also, under the Preliminary Screening Requirement Regulations of the Mackenzie Valley Resource Management Act (MVRMA), the Board must conduct a preliminary screening for an application for a proposed development that requires a land use permit, unless it is exempt from Part 5 of the MVRMA. Reviewers are encouraged to provide comments and recommendations to assist with the completion of the preliminary screening.

Comments can be made directly through the online review system, or submitted to the Board via mail or email. **Please submit your comments on this application in writing by 5:00 pm, Friday September 9th, 2016.**

Should you have questions or comments, feel free to contact me by email at [amacdonald@glwb.com](mailto:amacdonald@glwb.com) or by phone at (867) 777-6622.

Sincerely,
