Licence Number: G17L3-001

Type: "A" Water Licence (Renewal)

Details: No interventions were received by the deadline of April 17 2016, and the Town has consented to the disposition of the matter without a public hearing.

Please note that while no formal interventions were submitted to the GLWB, the Gwich'in Renewable Resources Board (GRRB) has requested a follow up meeting with the Town and regulators to discuss the concerns that were brought forward by the GRRB during the application review. It was suggested that this meeting/ teleconference should be held on the 27th, in the event that a formal hearing did not proceed. Invitations to this meeting will be circulated to the identified parties later today; anyone who did not receive an invitation, but who wishes to participate in the discussion is welcome to do so, please contact me for details.
