Dear AlecSandra,

Re: G18X005 Inuvik Wind Project Engagement Plan

We have reviewed the above Plan, and we have no issues or concerns at this time.

As with any application, if archaeological or heritage materials are encountered during the development within the Gwich'in Settlement Area, all work must cease immediately as required by law, and the DCH and the Prince of Wales Northern Heritage Centre in Yellowknife must then be contacted.

Sincerely,

Sharon Snowshoe
