<b>Item Description:</b>	<p>Please be advised that Arctic Tire 1980 Ltd. has submitted to the to the Gwich'in Land and Water Board an application for a Type A Land Use Permit for the purpose of extracting, stockpiling and hauling granular material from existing quarry located at km 251, Dempster Highway #8. The applicant requests a term of 5 years, beginning in June 2021, and carrying on activities currently authorized under permit G14Q003.</p> <p>Using the Online Review System (ORS) reviewers are invited to submit recommendations on the documents linked below by the review comment deadline specified. Reviewers may also wish to consider providing an overarching recommendation regarding whether the Board should approve the submission, to provide context for the comments and recommendations and assist the Board with its decision. If reviewers seek clarification on the submission, they are encouraged to correspond directly with the Applicant prior to submitting comments and recommendations.</p> <p>Preliminary Screening (Part 5 of the MVRMA): Under the Preliminary Screening Requirement Regulations, the Board must conduct a preliminary screening for a proposed development, unless it is exempt from preliminary screening in accordance with the Exemption List Regulations. Reviewers are encouraged to provide comments and</p>

<b>Contact Information:</b>	<p>recommendations (e.g., on impacts and mitigation measures) to assist with the Board's preliminary Screening Determination.</p> <p>Draft Permit: A draft Permit has been developed by Board staff, using the MVLWB's current Standard Land Use Permit Conditions Template, to allow reviewers to comment on possible conditions. Non-standard conditions are shown in green. These draft materials are not intended to limit in any way the scope of reviewers' comments. The Board is not bound by the contents of the draft Permit and will make its decision at the close of the proceeding on the basis of all the evidence and arguments filed by all parties</p> <p>All documents that have been uploaded to this review are also available on our public Registry. If you have any questions or comments about the ORS or this review, please contact Board staff identified below.</p>
