Dear Sharla;

Re: Rachel Reindeer Wellness Camp – Notification of Permit Timeline Pause application G22H003

The Gwich'in Land and Water Board (Board) met on June 22, 2022 and considered the Application Package from the Gwich'in Tribal Council for Land Use Permit (Permit) G22H003 for the Rachel Reindeer Wellness Camp in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board has decided to invoke paragraph 22(2)(b) of the Mackenzie Valley Land Use Regulations (MVLUR).

The Board determined that there are clear linkages between this Application and the Application for Water Licence (Licence) G22L3-004 that require further investigation, including potential impacts and mitigation measures. In order to develop Permit and Licence conditions that will effectively mitigate impacts of the proposed Project on the lands which will be affected, the Board will be coordinating the proceedings for these Permit and Licence Applications. This means that the Permit decision (which typically must be rendered within 42 days from the time of application, as per paragraph 22(2)(a) of the MVLUR), will be made at the same time as the Licence decision (i.e., within 9 months, as per Section 48(1) of the Water Regulations).

Please contact AlecSandra Macdonald at (867) 777-4954. with any questions or concerns regarding this letter.

Yours sincerely,
