Gwich'in Land and Water Board (GLWB or Board) Staff have conducted a conformity determination on Waste Management Plan V.2.0,¹ Spill Contingency Plan V.2.0² and Engagement Plan V.2.0,³ which were submitted to the Board by GNWT-INF on March 29, 2023, in accordance with the June 23, 2022, Board direction attached to the issuance of Water Licence G22L8-002 for the Peel River Ferry Landings.⁴

Board staff have determined that all submissions have met the requirements set out in the Board's Decision Letter and are hereby considered approved.

Please do not hesitate to contact myself or GLWB Executive Director Leonard DeBastien, should you have questions or concerns regarding this letter.

Yours sincerely,
