Good morning Mr. Holmes,

Please find attached a copy of the authorization to relocate the camp. In discussions with Mr. Lennie-Misgeld from the MVLWB, it was decided that an amendment was not needed and it could be done by field authorization.

Original is in the mail.

Have a good day

**Re: Relocation of Permitted Camp (MV2004C0001)  
Lac de Gras West Claim Block, NT  
Mineral Exploration**

Dear Mr. Holmes,

This will acknowledge receipt of your February 7<sup>th</sup>, 2007 submission requesting field approval to relocate your camp from Afridi Lake to the north side of Lac de Gras.

After discussions with Mr. Peter Lennie-Misgeld from the Mackenzie Valley Land and Water Board, it was decided that since the camp is within the permitted claim block and operating conditions exist for the operation of a camp, an amendment to the above noted Land Use Permit is not required. Authorization is hereby granted to relocate the camp as per your submission.

Please ensure that you adhere to the operating conditions annexed to your Land Use Permit (MV2004C0001).

If you have any questions or concerns, please contact Mr. Ken Dahl at (867) 669-2757 or the undersigned at (867) 669-2794.

Yours Truly,

*Original Signed*
