Hey Elaine,

Can you look into closing this file? We have recently issued a renewal for this LUP (now MV2011C0005), and I'm not sure how it works with the security and closure of the old permit? Let me know if you don't have time.

Lindsey

Hi Lindsey,

Please see below e-mail, and with the recent issuance of the replacement land use permit (MV2011C0005), the undersigned Inspector hereby recommends to the Mackenzie Valley Land and Water Board that a letter be issued to the Permittee granting clearance for expired land use permit MV2004C0001, pursuant to section 33 of the *Mackenzie Valley Land Use Regulations*.

If you have any questions or concerns, please do not hesitate to contact Nahum Lee at 669.2757 or myself at the numbers below.

Regards,

Clint

Subject: Peregrine- Final Land Use Plan - MV2004C0001

Lindsey,

The final plan for the above noted land use permit has been reviewed by the undersigned Inspector, and appears to be correct as submitted.

Items used in connection with this operation remain in this land use area and are currently authorized under a storage authorization which is valid until February 25, 2012.

Therefore, until a replacement permit is in place or final restoration as per s.15 and s.16 of the *Mackenzie Valley Land Use Regulations* is conducted, final clearance cannot be recommended at this time.

If you have any questions or concerns, please do not hesitate to contact Nahum Lee at 669.2757 or myself at the numbers below.

Regards,

Clint
