**RE: Storage Authorisation Request - Class A Land Use Permit #MV2004C0001:  
Lac de Gras Project, Mackenzie Valley Region, NWT**

I would like to request a one-year Storage Authorisation for the above-noted land-use permit, to take effect on 25 February 2011, which is the expiry date of the permit. As we discussed, it is unlikely that Peregrine Diamonds Ltd. (Peregrine) will be able to file its application and receive approval for the renewed permit before the expiry of the permit – hence this request.

Thank you for the opportunity to present this Storage Authorisation request and attached form. Should you require further information, please feel free to contact me anytime at the address, e-mail or phone numbers provided below.

Shirley Standafer-Pfister  
Manager, Regulatory and Environmental Affairs
