Subject: MV2005C0032 and MV2005L2-0015 - Gahcho Kue - New items added to the ORS

Good evening, Please note that De Beers' has submitted a letter outlining their position on being exempt from preliminary screening. There was also a change to the Work Plan which should also be noted (the Pre-hearing Conference is now scheduled for March 18, 2014). Both of these documents have been added to the ORS as well as to the online registry.
