Dear Mr. Liu:

**AEMP Response Plan – Fish Habitat and Community - Version 3 – Confirmation of Changes
De Beers Canada – Gahcho Kue Mine – Kennady Lake, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on August 8, 2019 to review your Aquatic Effects Monitoring Program (AEMP) Response Plan, Version 2, which was submitted under Part I, condition 7 of Licence MV2005L2-0015. At that time the Board approved your AEMP Response Plan, conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on September 12, 2019, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the August 8, 2019 letter have all been addressed, and the AEMP Response Plan Version 3 is therefore considered approved.

If you have any questions or concerns, please contact me at (867) 766 7455 or email jho@mvlwb.com.

Yours sincerely,
