Dear William Liu:

**Re: AEMP Response Plan – Fish Habitat and Community – Action Level Exceedances in 2020  
De Beers – Gahcho Kué Mine, NT**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on April 22, 2021 and reviewed De Beers' AEMP Response Plan for triggering low and moderate action levels in the Fish Habitat and Community component in 2020, which was submitted under Part I, Condition 6 of Water Licence MV2005L2-0015 on February 5, 2021.

The Board has already directed De Beers to include the proposed action level in the revised AEMP Design Plan, Version 6.1, to be submitted by May 13, 2021, and to submit the Conceptual Mitigation Plan by July 13, 2021.

The Board hereby approves the AEMP Response Plan as submitted.
