Dear Ms. McLean:

**Note to File – Dyke Construction and Management Plan (Dykes A1, G, F, H, I, J, K and L) – Confirmation of Changes – DeBeers Canada Inc. – Gahcho Kue.**

On May 26, 2015 the Mackenzie Valley Land and Water Board (the Board) met and discussed the Dyke Construction and Management Plan (Dykes A1, G, F, H, I, J, K and L) submitted by De Beers Canada Inc. (DeBeers). The Board determined that the Plan be conditionally approved, upon receipt of updates, as specified in the Board's decision letter to De Beers dated May 26, 2015 and upon written confirmation of conformity by Board staff.

This letter is written confirmation that the requested changes as outlined in the Board's decision letter dated May 26, 2015 have been addressed. The Dyke Construction and Management Plan (Dykes A1, G, F, H, I, J, K and L) version 2 (submitted May 27, 2015) can therefore be considered approved.
