Hi Candace,

Thank you for the submission provided on Friday. Board staff and counsel have conducted an initial review of the GMRP's analysis of the various Claims for Compensation filed with the Board. While the submission appears thorough, we note the general absence of citations to the legal authorities for many important points made in the GMRP argument.

At this time, to ensure complete information is available to the Board and the Claimants, we ask that you file a full listing of the legal authorities – statutes, regulations, cases and any other authorities relied on for your argument. The list should also indicate where in the argument the authorities were applied.

In the interest of minimizing any possible extension being required to the response period for the Claimants, please submit the requested information as soon as possible, and **no later than 5:00 PM MT on November 22, 2019**. Please send the information to Shannon at sallerston@mvlwb.com.

Kind regards,

Shelagh
