As sailboat owners and members of Great Slave Cruising Club, we have used and continue to use GSSC's premises for boat storage + launch + return to its cradle every year. We have owned our sailboat "Snow Bunting" for over 10 years and will continue to if storage etc continues to be affordably possible.

4 Information about Potential Impacts

Please provide information regarding the potential impacts resulting from the subject Licence on the use of waters described above.

Without reasonable access & storage, our boat (too big for a trailer) will in our view become unsailable and unsellable. Its value is estimated at \$12,000.—. Continuous access (during remediation) is required; individual year(s) with no reasonable access may well make our asset worthless.
