**Subject:** City of YK Groundwater Monitoring Plan review - meeting February 8, 2017

Hello all,

Following our [meeting on October 27, 2016](#) to discuss requirements under the City of Yellowknife's Water Licence, and the Board's subsequent [December 5, 2016 letter to the City](#) with a request for submission of an Interim Groundwater Monitoring Plan, City staff would like to meet again to review their draft plan prior to submission to the Board (and subsequent public review), and to address any questions and comments from involved parties.

We have set the meeting date for Wednesday, February 8<sup>th</sup>, from 9:30 – 11:30 am. Reuben will distribute the draft plan by the end of the month for everyone to review before the meeting. We'll meet in the HR Boardroom at City Hall. If you're not able to make it in person and would like to call in, please let me know so that arrangements can be made.

Please feel free to contact me if you have any questions about this process.

Regards,

Erica
