**RE: 48-HOURS' NOTICE PRIOR TO PROGRAMME STARTUP UNDER
MVLWB LAND-USE PERMIT #MV2011C0005:
LAC DE GRAS/DO-27 PROJECT, MACKENZIE VALLEY REGION, NT**

Please accept this letter as formal notice of intention of Peregrine Diamonds Ltd. (Peregrine) to commence its 2012 exploration programme under Mackenzie Valley Land and Water Board (MVLWB) Class A Land-Use Permit #MV2011C0005 on 01 March 2012. According to *Condition #6* of this permit, Peregrine is required to notify the Board by phone 48 hours in advance of programme startup.

In fulfilment of this condition, the undersigned rang the MVLWB office on today's date and conveyed the information to the MVLWB receptionist on duty. Lindsey Cymbalisky, Peregrine's officer for its Lac de Gras/DO-27 Project covered by this permit, was away from the office on this date. The receptionist then advised the undersigned to FAX a formal letter to the MVLWB with this information.

Thank you for the opportunity to provide the foregoing. A separate notification in writing, in fulfilment of *Condition #8* of the permit, and containing information on programme supervisors and phone number(s), will be provided via e-mail to Peregrine's officer and its Inspectors as soon as this information is available, and an updating page for the approved Spill Plan will be provided.

Yours truly,

Shirley Standafer-Pfister
Manager, Regulatory and Environmental Affairs
