**Date:** Monday, March 26, 2012 11:27:30 AM

---

Greetings, Clint, Thanks to you and Marty for the inspection report of your 23 March 2012 visit and your thorough report. As you noted, Peregrine is addressing the minor items in your report as a function of recovering for the unusually-long winter storm which temporarily hampered normal operations. Best regards, and thank you, -- ssp
