Greetings, Clint and Nahum, and Lindsey, Brett and Sarah,

I have reviewed the AANDC inspection report of 10 July, which is as you described in our telephone conversation of the following day. Peregrine already had planned an internal inspection to DO-27 Camp and the drillsites in the summer, as you are aware, and shall use the occasion to address the issues that you encountered, so that Peregrine returns to compliance with the conditions of its permits and with its approved Monitoring Plans. Thank you for your continued assistance and co-operation, Best regards, -- ssp
