Attention: Mr Dave Willis

**Re: Land Use Permit MV2011C0005
Mineral Exploration
Lac de Gras Area, NT**

Dear Mr Willis,

An inspection of the Lac de Gras West Campsite was conducted on June 11th, 2014 by Inspector Clint Ambrose. The inspection was carried out to ensure sections 15 and 16 of the *Mackenzie Valley Land Use Regulations* (Regulations) were adhered to during the restoration of the campsite.

Restoration of the campsite appears to be compliant with section 15 and 16 of the Regulations, and no further work is required by the Permittee. Your copy of the Environmental Inspection Report is attached and should be self explanatory.

If you have any questions or concerns, please contact the undersigned at (867) 765-6648.

Sincerely,

Clint Ambrose
Manager, Resource Management (Inspector)

Date: June 11th, 2014

Permit #: MV2011C0005

Explanatory Remarks

An inspection of the Lac de Gras West campsite was conducted by Inspector Clint Ambrose on June 11th, 2014. The inspection was carried out to ensure sections 15 and 16 of the *Mackenzie Valley Land Use Regulations* (Regulations) were adhered to during the restoration of the campsite.

The previous location of the camp can be viewed in the attached photographs and the undersigned Inspector is pleased to report that restoration appears to be satisfactory as no items used in connection with this land use operation remain, and the campsite has been restored to substantially the same condition as it was prior to the commencement of the operation.

The only items remaining are core boxes which are permitted as per section 16(5) of the Regulations.
