Dear Mr. Evanchuk:

**NTPC vs. Carters – Taltson Compensation Re-Hearing Expert Report Submission and Extension Request**

On Friday, February 17, 2017, legal counsel for the Carter family submitted its expert rebuttal reports to the Mackenzie Valley Land and Water Board (MVLWB) and Northwest Territories Power Corporation (NTPC) with a request for an extension to February 17, 2017 for the submission deadline of said reports. According to the Work Plan for the Taltson Hydro Compensation Re-hearing, which was circulated on January 24, 2017, the original deadline for expert report submission was set for January 27, 2017.

The MVLWB would like to provide NTPC the opportunity to respond to this extension request. Please submit your response by **5:00 PM MT, February 21, 2017**. If you have any questions or concerns regarding the extension request, please contact me at (867) 766-7458 or via email at [sallerston@mvlwb.com](mailto:sallerston@mvlwb.com).

If the MVLWB approves the extension request, an updated Work Plan will be developed and circulated to ensure a fair and timely process is maintained.

Sincerely,
