Attention: Shannon Allerston, Regulatory Officer

Dear Madame:

**RE: Board File MV2011L4-0002; Northwest Territories Power Corporation
("NTPC") Water License re: Taltson Operations
Compensation Re-Hearing**

This correspondence is made with reference to the Board's updated Work Plan for this proceeding. We are responding on behalf of NTPC in respect of Task 2 of the Work Plan, which is stated as follows:

NTPC will advise whether cross examination of any of the Carter factual witnesses is required

We advise that NTPC currently anticipates that examination at the oral re-hearing of the Carter Family witnesses and representatives will be required.

We also take this opportunity to note for the Board that the Expert Reports filed on behalf of the Carter Family on February 17, 2017 address or refer to NTPC's Taltson operations during the term of the current License.

NTPC advises the Board that it intends to make a presentation to the Board at the Re-hearing oral proceeding on NTPC's recent and current Taltson operations.
