Dear Matthew Miller,

Re: Public Engagement Plan – Approved - Revisions Required - Northwest Territories Power Corporation – Taltson Hydroelectric Facility – Taltson River, NT

The Mackenzie Valley Land and Water Board (Board) met on June 16, 2022 and considered the Taltson Public Engagement Plan (PEP)¹ submitted by the Northwest Territories Power Corporation (NTPC) on April 19, 2022 as required by Water Licence (Licence) MV2011L4-0002.²

The Board has determined that the Taltson PEP meets the requirements of Part B, Condition 7, of the Licence. NTPC should update the Plan as committed to in the public review and resubmit a revision for Board staff confirmation of conformity by July 15, 2022. The revised version will be considered approved when NTPC receives written confirmation of conformity from Board staff.

Please direct questions or concerns regarding this letter to [Shelagh Montgomery](#) in writing.

Yours sincerely,
