Dear Duncan MacRae:

**Request for Extension to
Cameron Hills Abandonment Deadlines (OA-2018-003-SOG)**

On September 19, 2022, the Office of the Regulator of Oil and Gas Operations (OROGO) received a request from Strategic Oil & Gas Ltd. (Strategic) to extend the deadline for the abandonment of 24 wells at the Cameron Hills site from March 31, 2023, to March 31, 2024. Strategic asked that OROGO respond to this request by September 22, 2022.

Three days is not sufficient to consider and respond to the arguments presented in Strategic's request.

I will respond to your request by October 3, 2022.

Sincerely,

Pauline de Jong
Regulator
