**Subject:** Canadian Zinc All-Season Road Project - Additional Information Submitted - Review Comment Deadline Extended  
**Date:** April 9, 2019 4:59:42 PM

---

To the Canadian Zinc Distribution List;

Canadian Zinc Corporation (CZN) has submitted a letter indicating a change in the proposed design for the Sundog Creek portion of their proposed All-Season Road. [The Letter](#) has been added to the [Online Review System](#) (ORS) page for this project, and now forms a part of CZN's Post-EA Information Package. Due to the timing of this submission, the review comment deadline has been extended to **April 24, 2019** to grant reviewers time to consider this change in their comments. Please note that the Sundog Creek Diversion Plan (Appendix 26-1) is no longer a part of the Post-EA Information Package and has been removed from the ORS.

CZN has asserted that this new information does not alter the original assessment of impacts to valued ecosystem components considered in the Report of Environmental Assessment EA1415-01, and is therefore exempt from preliminary screening in accordance with the *Preliminary Screening Exemption List Regulations* and *Exemption List Regulations*. If you have comments or recommendations on the possible exemption, please include them in your submission. INCLUDE RATIONALE. The Board and Parks Canada will make a determination on the preliminary screening exemption.

If you have any questions about this review or additional information, please contact any of the staff listed below:
