### Item Description

Board and Parks staff have prepared draft conditions for the water licences and permits associated with Canadian Zinc Corporation's All Season Road Project. Board and Parks staff have endeavored to mirror conditions as much as possible, so Parks drafts will not be significantly different from the Board's, except in cases where conditions specific to Parks' jurisdiction are included.

The purpose of these draft permits and licences is to allow reviewers to comment on possible conditions. These draft materials are not intended to limit, in any way, the scope of reviewers' comments.

The Board and Parks Canada are not bound by the contents of the draft Licences and Permits and will make their decisions at the close of the proceeding on the basis of all the evidence and arguments filed by all reviewers.

Reviewers are invited to submit comments, and recommendations using the Online Review System (ORS) by the review comment deadline specified below. Please clearly indicate which condition and Licence or Permit you are commenting on.

All documents that have been uploaded to this review are also available on our Public Registry. If you have any questions or comments about the ORS or this review, please contact Board and Parks staff identified below.
