Dear Ms. Potten:

Re: Request for Land Use Permit Extension – MV2015W0018

On behalf of Digaa Enterprises Ltd., I am requesting a two-year extension to our Land Use Permit – MV2015W0018.

The reason for the extension request is to allow us to harvest timber.

We have timber supply agreements pending with Aurora Wood Pellets Ltd. It is our intention, that once the new pellet mill has been constructed, we will supply the new pellet mill with timber.

Should any further information be required, please contact the undersigned.

Sincerely,

Bob Head, Manager
