Dear Alexis Campbell,

Re: Government of the Northwest Territories – Department of Infrastructure – Letter of Clearance – Geotechnical Drilling – City of Yellowknife, NT

The Mackenzie Valley Land and Water Board (Board) met on January 11, 2023 and reviewed the file for Land Use Permit (Permit) MV2015X0008.

The Board received a Final Plan for this land-use operation on September 1, 2022.¹ Subsequently, an Inspector recommended closure of the file.²

Final Plan - Approved

The Board has approved the Final Plan, because it fulfills the requirements set out in subsections 29(1) and 29(2) and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

Clearance Granted

The Board has granted final clearance of Permit MV2015X0008 because the requirements of the MVLUR and the conditions of the Permit MV2015Z0008 have been met, and the Inspector has recommended final clearance. By issuing this Letter of Clearance for Permit MV2015X0008 the Board considers the Permit closed under section 33 of the MVLUR.
