Dear Ryan Peters,

On September 16, 2022, the Mackenzie Valley Land and Water (Board) staff received the Application Package (Application) for the Storage Authorization relating to Land Use Permit (Permit) MV2016Q0029¹ for the Quarry Operation off the Dettah Access Road (Project) from Weledeh Building Society (WBS).

Board staff have reviewed the Application and found it to be lacking information required for the Board to process the Application. For the Application to be considered complete, refer to the Application Form² and the Land and Water Boards' *Guide to the Land Use Permitting Process* (Guide)³ and submit the following information to the Board's office:

1. Engagement Record: Conduct engagement specific to the Storage Authorization. Include an Engagement Record in the Application.
2. Permission from Landowner: Provide written permission from the landowner and/or administrator to store the items listed.

¹ See the MLWB Online Registry for [MV2016Q0029](#).

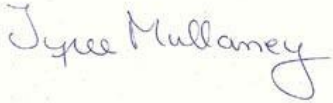

² See the MLWB Apply for Permit/Licence webpage for the Land Use Permit [Application Form](#).

³ See the MLWB Policies and Guidelines webpage for the MVLWB [Guide to the Land Use Permitting Process](#).

Upon receipt of this information, the Board will review the Application in accordance with the Mackenzie Valley Land Use Regulations (MVLUR). Unless WBS requests additional time, if this information is not provided within 90 days of the date of this letter, the Board will consider the Application withdrawn.
