Dear Mr. Rowe:

**Land Use Permit Application – Incomplete
Quarry Operation - Highway #1 KM 518**

The Mackenzie Valley Land and Water Board (MVLWB or the Board) received your Application dated September 23, 2016 for a Land Use Permit on September 28, 2016. Your Application has been reviewed and found to be lacking sufficient information to conduct a preliminary screening as per paragraph 22(1)(a) of the Mackenzie Valley Land Use Regulations (MVLUR). In order for this Application to be considered complete and forwarded for review, the following information must be submitted to our office:

1. A map, normally at a scale of 1:50,000, showing your proposed location(s), area in hectares, and distances of all land use activities, including any access infrastructure.
2. A summary of any proposed camps, including a map or drawing of its layout, and the total number of persons anticipated to be on-site.
3. Additional information regarding proof of eligibility under section 18 of the *Mackenzie Valley Land Use Regulations* (i.e. quarry permit, timber permit, prospecting permit, mineral claim, mineral lease, exploration licence, etc).
4. The type and size of each piece of equipment (the application only identifies four pieces just want to confirm).
5. In the Waste Management Plan, in the Introduction (third paragraph) it indicates that there will not be a camp or fuel stored on site. Please clarify and update the Plan if needed.
6. A letter from Town of Fort Simpson confirming they will accept wastes from your activities for off-site disposal as described in your Waste Management Plan.

7. An Engagement Plan, including an Engagement Log, which includes copies of all correspondence and minutes of all meetings held between yourselves and communities and Aboriginal groups and First Nations organizations listed in Table 1.
