Dear Natalie Plato,

**Re: Giant Mine Remediation Project– Letter of Clearance – Drilling – Yellowknife, NT**

The Mackenzie Valley Land and Water Board (the Board) met on October 7, 2021 and reviewed the Final Plan for Land Use Permit (Permit) MV2016S0016 .

The Board received a Final Plan for the land operations on July 16, 2021.<sup>1</sup> Subsequently, an Inspector indicated satisfaction with all aspects of the operation and recommended closure of the file.<sup>2</sup>

Final Plan - Approved

The Board has approved the Final Plan because it fulfills the requirements set out in subsections 29(1) and 29(2) and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

Clearance Granted

The Board has granted final clearance of Permit MV2016S0016 because the requirements of the MVLUR and the conditions of the Permit have been met, and the Inspector has recommended final clearance. By issuing this Letter of Clearance for Permit MV2016S0016, the Board considers the Permit closed under section 33 of the MVLUR.
