Dear Westly Steed,

**Re: Fort Providence Wildfire Experimental Site – Land Use Permit – Letter of Clearance – Miscellaneous – Fort Providence, NT**

The Mackenzie Valley Land and Water Board (Board) met on March 7, 2025 and reviewed the file for Land Use Permit (Permit) MV2016X0008.

The Board received a Final Plan for this land-use operation on February 18, 2025.<sup>1</sup> Subsequently, an Inspector recommended closure of the file.<sup>2</sup>

#### Final Plan - Approved

The Board has approved the Final Plan, because it fulfills the requirements set out in subsections 29(1) and 29(2) and section 30 of the Mackenzie Valley Land Use Regulations (MVLUR).

#### Clearance Granted

The Board has granted final clearance of Permit MV2016X0008 because it has been replaced by Permit MV2024X0010, which is in full force and effect and incorporates all obligations and liabilities incurred under Permit MV2016X0008. By issuing this Letter of Clearance for Permit MV2016X0008 the Board considers the Permit closed under section 33 of the MVLUR.
