**Update to Interveners on the Reconvening of the Public Hearing (January 8-9, 2018)  
Enbridge Pipelines (NW) Inc. Line 21 Segment Replacement Project**

In preparation for the reconvening of the Public Hearing for the Enbridge Pipelines (NW) Inc. (Enbridge) Line 21 Segment Replacement Project (the Project) on January 8-9, 2018, the Mackenzie Valley Land and Water Board (the Board) is providing this update on two matters:

1. Opportunity to respond to the Liidlii Kue First Nation (LKFN) "Indigenous Knowledge and Land Use Study" that was accepted as late evidence by the Board on October 19, 2017.
2. Written cross examination questions for Enbridge from Dehcho First Nations (DFN).

**1) LKFN Indigenous Knowledge and Land Use Study**

The Board is providing an opportunity for the other Interveners (Sambaa K'e First Nation (SKFN), DFN, and the Government of the Northwest Territories (GNWT)) to respond to the "Indigenous Knowledge and Land Use Study" through updated presentations. If SKFN, DFN or GNWT wish to respond to the late evidence, updated presentations must be submitted to Board staff **no later than December 4, 2017**. Any updates to presentations must be limited to the LKFN "Indigenous Knowledge and Land Use Study". To this end, Interveners are asked to include a cover note with their submission that highlights where changes have been made.

**2) Written questions of Enbridge from DFN**

At the end of the first part of the Public Hearing held in Fort Simpson on October 27-28, 2017, DFN was given the opportunity to conclude their cross examination of Enbridge by submitting written questions through the Board. The deadline for questions was set as November 10, 2017, with responses from Enbridge due on November 17, 2017. The Board wishes to make clear that Interveners will have the opportunity to address any information arising from this questioning during their Closing Arguments when the Hearing reconvenes.

A directive from the Board with other details regarding the reconvening of the Hearing will be issued in the coming weeks. Should you have any questions, please contact David Finch at (867) 766-7467 or via email at [dfinch@mvlwb.com](mailto:dfinch@mvlwb.com).

Sincerely,
