**OFFICE OF THE MAYOR**

January 5<sup>th</sup>, 2018

To Mackenzie Valley Land and Water Board,

Re: Water Licence and Land Use Applications MV2017L1-002 and MV2017P0013

The Council of the Town of Hay River by Motion #18-002 hereby confirms its support for an application to the Mackenzie Land and Water Board (MVLWB) by Enbridge Pipeline (NW) Inc. to undertake a Line 21 Segment Replacement Project to replace the existing Norman Wells pipeline segment that runs under the Mackenzie River.

The Council of the Town of Hay River supports this project as a responsible economic development initiative performed in compliance of all applicable NWT Acts and Regulations and acknowledges the benefits from this non-renewable resource production as a conduit to investment in other sectors of the economy.

Sincerely,

A handwritten signature in black ink, appearing to read "Brad Mapes", written over a large, light-colored scribble.
