Hi Tyree,

INF would like to ask for a pause on the review response process while we review internally. We want to ensure we have all the information available before we respond.

Thank you,  
Dan

Hi Tyree,

Can we please extend the response [MV2017X0008](#) ORS Response period until tomorrow? We had a meeting yesterday with the highways division, ITI and Lands to go over these responses and come up with a plan. We likely have to apply for this area as reserve land, which will take at least 3 months. One more day to address all of these comments would really help.

This is the most comments we have had from the public, and they want different things so everyone will not be pleased no matter what we do (or don't do).

Thank you,  
Dan
