Dear Mr. Yadav:

**Issuance of Type A Land Use Permit
 Miscellaneous - NWT Highways 3 and 4**

Attached is Type A Land Use Permit MV2017X0008 granted by the Mackenzie Valley Land and Water Board (MVLWB or the Board) in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA). This Permit has been approved for a period of five years commencing April 20, 2017 and expiring April 19, 2022.

Based on the evidence provided, the Board has also confirmed that the Application is exempt from preliminary screening as per Schedule 1, Paragraph 2 of the Exemption List Regulations of the MVRMA which states:

A development, or part thereof, for which renewal of a permit, licence or authorization is requested that

- a) Has not been modified; and
- b) Has fulfilled the requirements of the environmental assessment process established by the *Mackenzie Valley Resource Management Act*, the *Canadian Environmental Assessment Act* or the *Environmental Assessment Review Process Guidelines Order*.

Please read all conditions carefully. For the purposes of submitting plans in accordance with this Permit, the date of this letter, April 20, 2017, is the date of commencement.

The Board hereby approves the following Plans as summarized in Table 1:

Table 1: Plans that have been approved

Condition Number	Title of Plan	Date Received
49	Waste Management Plan	March 6, 2017
66	Spill Contingency Plan	March 29, 2017
86	Engagement Plan	March 6, 2017

The Board encourages GNWT-DOT to adhere to their commitments made during this review.

Should you wish to discontinue your land-use operation at any time prior to the date of completion set out in the Permit, a written notice of discontinuance is required as per section 37 of the MVLUR, in addition to the submission of a final plan.

A copy of this Permit and all related correspondence and documents have been filed on the Public Registry at the MVLWB office. Please be advised that this letter, inspection reports, and related correspondence are part of the Public Registry which is intended to keep all interested parties informed of the manner in which the Permit requirements are being met. All Public Registry material will be considered if an amendment to the Permit is requested.

The full cooperation of GNWT - Department of Transportation is anticipated and appreciated. If you have any questions or concerns, please contact Tyree Mullaney at (867) 766-7464 or email tyree@mvlwb.com.

Yours sincerely,

Mavis Cli-Michaud
MVLWB, Chair
