Re: Extension Request for the DO-27 Land Use Permit (MV2018C0010)

Peregrine Diamonds Ltd. is a wholly owned subsidiary of De Beers Canada Inc. Land use permit MV2018C0010 was issued to Peregrine Diamonds Ltd. on September 20, 2018 and expires on September 19, 2023. The permit enables mineral exploration in the Lac de Gras Area on 12 mineral leases, covering approximately 8,495 hectares of land.

There is no camp authorized under this permit. De Beers holds Permit W2018C0008 with the Wek'eezhii Land and Water Board (WLWB) for similar activities in the same area, including the DO-27 camp which is currently in the final stages of reclamation. There is no storage of material, equipment or fuel under MV2018C0010.

De Beers is not proposing any changes to the scope of this permit. We would like to request an extension from September 20, 2023 to September 19, 2025 to enable potential future exploration opportunity.

If you have any questions regarding this request or require additional information please contact me at chad.corson@debeersgroup.com or by telephone at (249) 377-4445

Sincerely,
