Dear Mark Cliffe-Phillips,

**Re: Gold Terra Resources Corporation – Notice of Preliminary Screening Determination – Amendment Request #3 for Land Use Permit – Mineral Exploration – Yellowknife, NT]**

The Mackenzie Valley Land and Water Board (Board) met on February 9, 2022 and considered the Application from Gold Terra Resources Corporation (Gold Terra) for Land Use Permit (Permit) MV2018C0023 for the Yellowknife City Gold Project in accordance with the *Mackenzie Valley Resource Management Act* (MVRMA).

The Board conducted a preliminary screening based on the public record for the proceeding. Based on the evidence provided, the Board is satisfied the screening has been completed according to section 125 of the MVRMA and has decided **not to refer** the Project to environmental assessment. The Board's Preliminary Screening Determination and Reasons for Decision, as required by section 121 of the MVRMA, is attached.

If the Board does not receive notice of referral to environmental assessment, it can proceed with issuance of Permit MV2018C0023 on **Tuesday February 22, 2022**.

The Board and staff look forward to continued communications throughout the pause period. Please contact Mackenzie Valley Land and Water Board Executive Director Shelagh Montgomery at (867) 766 7457 with any questions or concerns regarding this letter.

Yours sincerely,

Mavis Cli-Michaud
