Dear Madison Warren,

Re: City of Yellowknife – Discontinuance – Land Use Permit MV2018X0015 – Miscellaneous – Yellowknife, NT

The Mackenzie Valley Land and Water Board (Board) met on June 16, 2022 and considered City of Yellowknife (City)'s request to discontinue Land Use Permit (Permit) MV2018X0015 for the installation of groundwater monitoring wells near the Solid Waste Facility, Yellowknife (Project) in accordance with section 37 of the Mackenzie Valley Land Use Regulations (MVLUR).

The Board has amended the expiry date of the Permit to June 16, 2022 as requested, which is reflected in the amended Permit (attached). These documents are posted on the Board's Public Registry.¹

As per subsection 29(6) of the MVLUR, the City remains responsible for all obligations and liabilities that arise under the Permit and the MVLUR until the Board grants final clearance. Please refer to section 6 of the Board's *Guide to the Land Use Permitting Process*² (Guide) for detailed information on final plans and final clearance.

¹ See MVLWB Online Registry www.mvlwb.com for [MV2018X0015](#).

² See MVLWB Policies and Guidelines webpage for MVLWB [Guide to the Land Use Permitting Process](#).

Full cooperation of the city is anticipated and appreciated. Please contact [Emma Junker](#) at (867) 766-7469 with any questions or concerns regarding this letter.

Yours sincerely,

Mavis Cli-Michaud
