Dear Dr. Montgomery:

Groundwater Monitoring Project in the Liard Basin – Security Deposit Waiver Request

According to section 71 of the *Mackenzie Valley Resource Management Act*, the Mackenzie Valley Land and Water Board is requesting a security deposit to support a land use permit application for the Liard River Basin Groundwater Monitoring Project. Although the University of Guelph is the main applicant, the project would be in partnership with the Government of the Northwest Territories, Department of Environment and Natural Resources.

I am writing to request that the security deposit be waived for this project.

We look forward to your response.

Sincerely,

 Dr. Joe Dragon
Deputy Minister
Environment and Natural Resources
