The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on March 11, 2021 to review your AEMP Design Plan for 2021 Care and Maintenance, which was submitted under Part G, Condition 2 of Water Licence (Licence) MV2019L2-0004. At that time the Board approved your AEMP Design Plan, conditional upon receipt of additional information and written conformity from Board staff.

This additional information was received by the Board on March 31, 2021, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the March 16, 2021 letter have all been addressed, and the AEMP Design Plan is therefore considered approved.
