Dear Ms. Prather:

**RE: Undertakings Resulting from Public Hearing – Responses Required
April 2019 Renewal Application for Water Licence MV2019L2-0004
May 2019 Amendment Application for Land Use Permit MV2017C0032
De Beers Canada Inc. – Closure and Reclamation Activities of the Snap Lake Mine**

The Mackenzie Valley Land and Water Board (MVLWB/the Board) would like to thank you for participating in the Public Hearing held November 26-27, 2019 to discuss your renewal and amendment applications for the above-noted Water Licence and Land Use Permit. A number of Undertakings (#1-4) for De Beers Canada Inc. arose from the Public Hearing and have been summarized in Appendix 1 of this letter.

Your responses should be submitted to the MVLWB by **December 16, 2019**. The Board and reviewers will use this information in the evaluation of the Renewal and Amendment Applications.

If you have any questions or concerns regarding these Undertakings, please contact me at (867) 766-7456 or email angela.love@mvlwb.com.

Yours sincerely,

Appendix 1: Undertakings

1. De Beers to provide all available water quality data for sumps 1 through 5 for 2019.
2. De Beers to provide an updated security estimate, in an Excel spreadsheet and as a PDF, to account for the updates made throughout this proceeding. This is to include a breakdown of the two proposed closure scenarios: 1) Constructed wetlands and 2) No constructed wetlands. A concordance table shall also be included that identifies the updates and the locations.
3. De Beers to provide a digital copy, for the record, of the mixing zone map, as mentioned during De Beers' presentation at the Public Hearing.
4. De Beers to provide a temporal summary of all available data (preferably in graphical format) associated with the SNP stations that are proposed to be removed.
