Angela

I appreciate that I am not following your procedures but ask that you/MVLWB take into account that we are affected and should be included in the plan.

We have asked that Mackay Lake Lodge be used as part of the monitoring plan as king River flows into Mackay Lake about 5 kilometers from the lodge and the lodge is down stream.

Good Morning,

Please note that De Beers has resubmitted the Water Management Plan V.4 to address a comment received about the legibility of the Tables in Appendix A of the Plan. The updated Plan has replaced the previous plan on the Online Review System for ease of review.

Regards,

Angela
