1	General	ADKFN acknowledges the applicants request to cancel Water Licence MV2019L2-0006. This Licence was made redundant following the issuance of MV2021L2-0004. As the Canadian Zinc Corporation proceeds with the development the Prairie Creek Mine, we look forward to continuing ongoing constructive dialogue both with the Canadian Zinc Corporation and other parties to ensure this project maintains greatest benefit throughout its entire life. We thank the Mackenzie Valley Land and Water Board for the opportunity to comment on this matter, however, we have no further concerns to raise at this time.	No Further Comment	Acknowledged. Thank you.

Dear Kimberley Murray,

Environment and Natural Resources' recommendations on Canadian Zinc Corporation's request to cancel Type B Water Licence MV2019L2-0006

The Department of Environment and Natural Resources (ENR), Government of the Northwest Territories has reviewed the application at reference based on its mandated responsibilities under the *Waters Act*. ENR has no comments and recommendations for the consideration of the Mackenzie Valley Land and Water Board at this time.

Please contact Bill Pain, Environmental Management Scientist with the Water Management and Monitoring Division at Bill.Pain@gov.nt.ca if you have any technical questions.

Please contact GNWT_EA@gov.nt.ca with any general questions or concerns.

Sincerely,
