Subject: CZN's Security Adjustment Requests - Prairie Creek Mine
Date: Friday, December 06, 2019 5:29:32 PM

Good evening everyone,

Board staff have received [a letter dated November 27, 2019](#) from CZN regarding a request for the Board to review reclamation security for Licence MV2019L2-0006 and Permit MV2019C0011, which are CZN's mineral exploration authorizations at the Prairie Creek Mine. As per Water Licence MV2019L2-0006, Part C, condition 5:

Unless otherwise approved by the Board, the Licensee may not submit security adjustment requests except with any of the following submissions:

- a) Closure and Reclamation Plans;
- b) Closure and Reclamation Completion Reports; or
- c) Performance Assessment Reports.

Since the letter does not include those submissions listed in Part C, condition 5, CZN cannot submit security adjustment requests unless it is approved by the Board. Therefore, CZN's letter dated November 27, 2019 will be presented to the Board to consider whether the Board will grant CZN's request for a security adjustment.

If you have any comments regarding the CZN's security adjustment request, please submit them to jho@mvlwb.com by **December 11, 2019**. Board staff will provide an update regarding CZN's request for submission extension as noted in the letter at a later date. Thank you for your attention.

Sincerely,

Jacqueline
