Attachments: Resume - David Watt.pdf; Lee Deslauriers - NorZinc Cover Letter and Resume (February 11, 2021).pdf

Jonathan, Kim, David Watt has taken up a position with Allnorth. To avoid any potential conflict of interest, we are proposing to replace David with Lee Deslauriers. CV's for both are attached. Lee was recommended by the Panel (see below), and we subsequently interviewed him to confirm his suitability, including confirming he has traffic management experience.

Please formally consider Lee's appointment.

Thanks.

David Harpley
VP, Environment and Permitting Affairs

David and Ernie – The three Panel members reviewed the three C.Vs. We collectively agree that Lee's experience is most relevant to our current mandate of assessing the design of the haul road for safety, efficiency and environmental protection. While operational considerations such as traffic management, haul weights, road bans, emergency response are important, we think that Lee could also assist with those issues.

Thanks
Jim for the Panel
