Dear Caludine Lee:

Re: Staging Area (Phase 1 Winter Road) – Spill Contingency Plan Version 2.0 and Waste Management Plan Version 2.0 – Confirmation of Conformity

The Mackenzie Valley Land and Water Board (MVLWB or the Board) met on August 29, 2019, to review Canadian Zinc Corporation's Spill Contingency Plan (Version 1.0) and Waste Management Plan (Version 1.0). The Spill Contingency Plan and Waste Management Plan were approved by the Board, conditional upon receipt of additional information and written conformity from Board staff.¹

The additional information required was received by the Board on September 9, 2021, after which Board staff confirmed concordance. This letter hereby confirms that the changes requested in the September 3, 2019 letter have been addressed, and the Spill Contingency Plan Version 2.0² and Waste Management Plan Version 2.0³ are therefore considered approved.

If you have any questions or concerns, please contact Kim Murray at (867) 766-7458 or email kmurray@mvlwb.com or Sean Joseph at sjoseph@mvlwb.com.

Yours sincerely,
