Dear Mr. Webb:

Quarry Permit No.: 2021QP0003- Final Quarry Pit Return - Verification
LUP No.: MV2020C0003
Location: 50 KM N. of Yellowknife, Discovery Lake Area

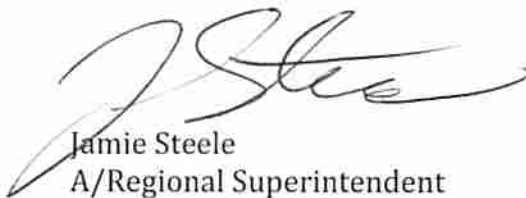

Thank you for submitting the final return for Quarry Permit No. 2021QP0003, dated March 22, 2021. Your final return has been reviewed by our Inspector and deemed to be correct.

As you were authorized to remove 100 cubic metres of gravel under this permit and report that 144 cubic metres was removed, an additional amount of \$132.00 was due to the Government of the Northwest Territories (GNWT). These additional royalties have been received and receipted under #255747. This quarry permit has now been closed.

For any future quarry authorizations issued to you, please adhere to Condition No. 1 of your permit. By doing so, this will ensure that over-quarrying does not happen.

Should you have any questions or concerns, please contact our Land Use Advisor, Ms. Charlene Coe, at (867) 767-9187 ext. 24194.

Sincerely,

Jamie Steele
